

PRODUCT DATA SHEET

Trifluo - Mwl

MYWHITELIGHT®

DESIGN BY :

FrancoRaggi
2006

MATERIALS :

Aluminium, methacrylate

DESCRIPTION :

Suspension lamp with aluminium structure, lower prismatic diffuser in methacrylate, upper diffuser in transparent methacrylate.

It uses RGB light sources, which enable a limitless variation of white light with different intensities and a variety of colour temperatures, from the warmest (2.500 K) to the coolest (20.000 K). The colour selection functions are set by an infrared remote control.

Light emission

Direct/indirect

IP 20   

TECHNICAL DATA SHEET

FEATURES

Product name:	Trifluo - Mwl
Article Code:	1344010A
Colour:	White
Material:	Aluminium, methacrylate
Series:	Design, My White Light
Environment:	Indoor
Area contract:	Office

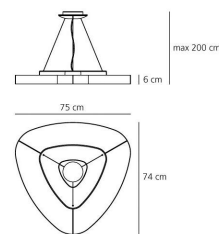

OPTICS

Emission:	Direct/indirect
-----------	-----------------

DIMENSIONS

Length:	cm 75
Width:	cm 74
Height:	cm 6
Max Height from ceiling:	cm 200
Cutout shape:	

DIMENSIONS

LAMP

IP 20   

LUMINAIR

Starter:	Electronic Integrated
Voltage:	220V-240V
Remote control:	Infrared
