

Zoom standard table Piero Lissoni

The Kartell collection of tables now boasts a new function today thanks to the extension table designed by Piero Lissoni. Zoom has a solid austere frame but is streamlined by the legs made of aluminium. The tempered glass black or white back-painted top is elegant and sober yet robust and scratch resistant. Zoom comes with either a standard frame with a square top measuring 130 x 130 cm or rectangular 160 x 80 cm or 190 x 90 cm, or with an extendable frame in three sizes: 70 x 120 cm, extendable by 50 cm, and 85 x 130 cm or 85 x 160 cm both extendable by 60 + 60 cm.

4772 / 4773 / 4774

Material
Frame: aluminium
Top: tempered back-painted glass

		width	height	depth	weight per unit kg.
4772		160	72	80	37.000
4773		190	72	90	44.500
4774		130	72	130	43.000

Packing	quantity	weight kg.	volume m ³
4772	1	52.200	0.306
4773	1	59.500	0.400
4774	1	58.000	0.392
