

PRODUCT DATA SHEET

Mimesi

DESIGN BY :

Carlottade Bevilacqua
2011

MATERIALS :

Aluminum, methacrylate

DESCRIPTION :

Light, architectural space and natural landscape are the main elements of this project, based on principles of reduction of energy and materials. Through the dematerialization of volumes and mimetic transparency, and thanks to a slim recycled aluminium structure and methacrylate body, Mimesi does not hinder the vision, but silently integrates with the surrounding environment. When turned on it becomes a central element in the staging of people's lives, highlighting luminous writing on the cortex of the light. An indirect 40 W LED light source and a diffuse one guarantee double light emission and two different colour temperatures. The combination of the controlling circuit and innovative LED technology results in a reduced need for maintenance.

Light emission

Indiretta, diffusa

Dimmer

TECHNICAL DATA SHEET

FEATURES

Product name:	Mimesi
Article Code:	1835012A
Colour:	Mirror
Material:	Aluminum, methacrylate
Support:	Base
Series:	Design
Environment:	Indoor

OPTICS

Emission:	Indiretta, diffusa
-----------	--------------------

DIMENSIONS

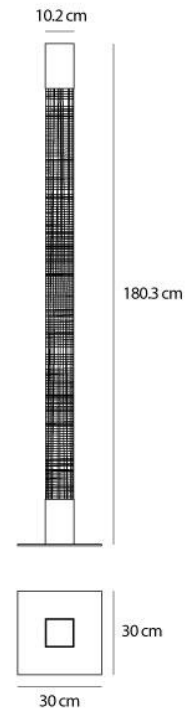

Length:	cm 10.2
Width:	cm 10.2
Height:	cm 180
Base Length:	cm 30
Base Width:	cm 30
Cutout shape:	

LAMPS INCLUDED

Category:	LED
Watt:	42
Typology:	Led Rgb
Color Rendering:	N/s

Category:	LED
Watt:	3
Typology:	Led
Color Rendering:	N/s

DIMENSIONS

LAMP

IP 20  

Dimmer
