FOSCARINI

The young, light-weight appearance recalling the shape of a cigar, which ironically gives it its name, the soft light that it emits and the ease with which it blends in with the most varied contexts, have made it the great success that it is today, so much so that it is also part of the permanent collection on exhibit at the New York MoMA.

The diffuser consists of four satin finish polyethylene segments. Small round metal hooks hold two subsequent elements together without them touching, leaving room for three slim empty bands that fill up with light when the lamp is on. Available in white, ice or custard yellow, Havana is available as a suspension, wall or floor lamp.

Havana, suspension

technical info

FOSCARINI

Description

Suspension lamp with diffused light. Diffuser consisting of four injection-moulded polyethylene shade joined by chromed metal hooks. Aluminium painted metal diffuser support and ceiling rose and transparent electrical cable. The version with a plug is fitted with wiring with an ON/OFF switch on the cable and a small steel cable for ceiling mounting. Canopy decentralisation kit - multiple canopy available (up to 6 suspension lamps).

Materials: polyethylene and metal

Colours: white, yellow cream, ice

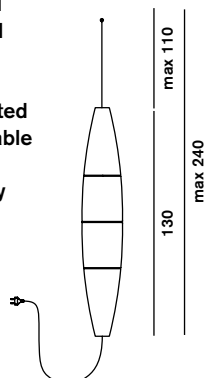

Brightness
diffused light

Model

Havana with plug

Weight

net kg: 1,80
gross kg: 3,30

Packing

vol.m³: 0,090
n.bboxes: 2

Bulbs

– halogen energy saver 1x116W E27

– compact fluorescent 1x25W E27

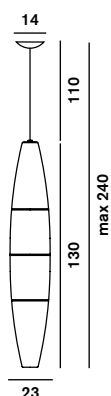

Cable length

Certifications

Havana without plug

Weight

net kg: 1,90
gross kg: 2,70

Packing

vol.m³: 0,045

Havana, suspension multiple composition

FOSCARINI

Description

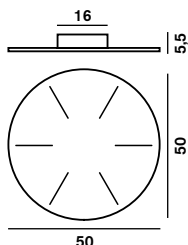

A technical solution that couples function with design harmony: The multiple ceiling flange of Foscarini makes it possible to create compositions up to 6 suspension lamps to create cascades of light of high emotional impact, particularly suitable to enrich a stair case.

The standard multiple flange is designed to suit a large number of suspensions from both Foscarini and Diesel with Foscarini collections.

Materials: lacquered metal

Colours: white

Multiple canopy

Weight

net kg: 8,70

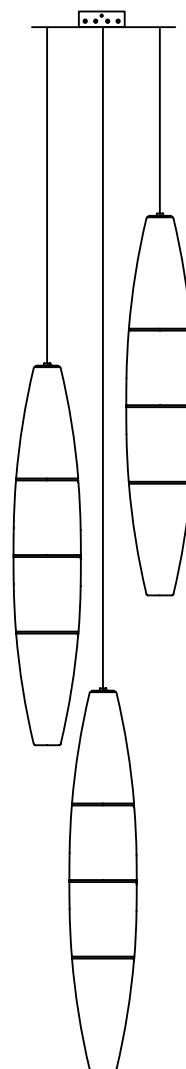

gross kg: 10,00

Packing

vol.m³: 0,03

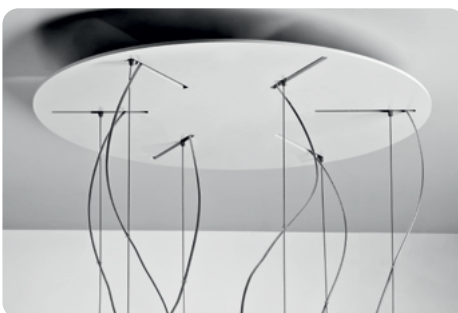

n.bboxes: 1

– Example with 3 suspensions
