FOSCARINI

Inspired by the classic table lamp with lampshade, Lumiere was designed in 1990 by Rodolfo Dordoni and immediately became one of the best sellers in the Foscarini collection, characterised by the original and harmonious combination of the essential form of the diffuser in mouth-blown glass and the slim support in stainless steel. In 2005 the lamp was modernised with the introduction of new colour shades for the diffuser – keeping the white internal layer to help reflect the light – demonstrating the surprising modernity of one

the cult pieces of the collection. The refined elegance of Lumiere, the availability of four different colours and its warm, intense, diffused light, make it the perfect lamp for various environments, different in both style and taste

Lumiere 05, floor

technical info

FOSCARINI

Description

Table and reading lamp with diffused and direct light. Hand-blown cased glass diffuser, white on the inside and coloured on the outside, with glossy finish. Rod and base made of brushed satin finish stainless steel. The transparent cable is fitted with a dimmer which can be used both to adjust the level of luminous intensity gradually or as the ON/OFF switch.
