FOSCARINI

The slim stem recalls the trunk of a tree, its shade is a reinterpretation of the classic reading lamp, while the branch, as if ready for a “birdie” to alight, beckons your touch, turning it on or off. These three elements spontaneously coalesce to give life to a friendly lamp, that combines a smooth and familiar structure with a boldly character.
Made with sturdy yet lightweight materials, Birdie has a different personality, depending on the colour: in white, it can be discreet and almost invisible, but in amaranth, orange or grey it becomes more of a prima donna capable

playing the starring role of a room. Always monochromatic, from lampshade to the base for a decisive character without compromises.
The floor lamp is also designed to blend in easily with the surroundings. Whether beside a central bed, an armchair or a sofa in the living room, or in any other room of the house, Birdie fits naturally in and accompanies everyday life with a pleasantly stylish presence.

Birdie, floor technical info

FOSCARINI

Description

Floor and reading lamp with diffused light. Die cast zinc alloy base and steel rod, both liquid coated. Opaline polycarbonate internal diffuser, translucent polycarbonate external diffuser, both injection moulded. The touch dimmer sensor is located on the tip of the rod arm and allows the gradual adjustment of the luminous intensity; electronic transformer on the transparent cable.

Materials: polycarbonate and lacquered stainless

Colours: white, grey, orange, amaranth

Brightness

semi-diffused and direct down light

Weight

net kg: 4,30
gross kg: 6,30

Packing

vol.m³: 0,159
n.boxes: 2

Bulbs

– halogen energy saver 1x150W E27

with touch-dimmer included

Cable length

Certifications

□ ▼ CE IP 20
