

Model: Slice Dimple

Base and shell design: Sander Mulder

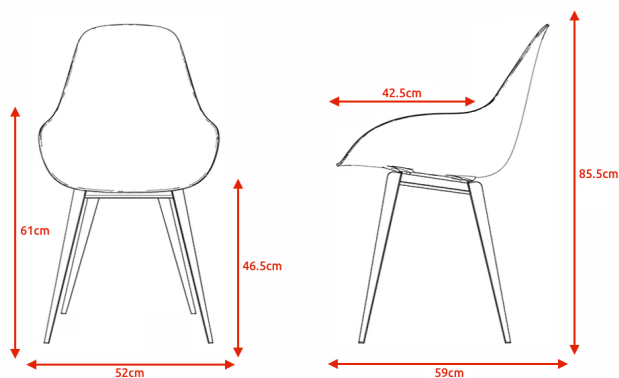

The **Dimple** seat's structural design was inspired by an eclectic mix of old, vintage race car seats and golf ball patterns. The union of the two concepts has created a comfortable and highly ergonomic body, with a modern, vibrant aesthetic.

The **Slice** base is the perfect example of a design that combines functionality and a graceful silhouette. With its minimalistic design Slice allows its materials to do the talking: the inserts, which have all the warmth of wood, slide on the metal frame of the legs, and are connected via the magnets placed in the feet, which can be removed and repainted. Slice is a light and elegant base, perfect in its simplicity.

MEASURES:

Height:	85.5 cm
Width:	52 cm
Depth:	59 cm
Seat height:	46.5 cm
Seat depth:	42.5 cm
Arm height:	61 cm

MATERIALS:

Shell: polypropilene 85% / fiber glass 15%, UV resistant matte texture.
